Dear LTUFC community,

It is with great pleasure that I announce that Bart Thompson will be U19s coach for the 2015 season!

Bart has been a playing member at LTUFC since playing U19s under Gil Huckstepp in 2011 and in that time has been the Reserve Best & Fairest and leading goalkicker, in 2013 and 2014 respectively, whilst also playing senior football over the past 3 seasons.

Prior to joining LTUFC, Bart was a member of many premiership sides in Sydney including back-to-back U18s flags at North Shore FC. He also played senior football as an underage player for Manly Wolves, was vice-captain of the Sydney Swans representative team at junior state carnival level and was a member of the Sydney Swans junior development program (prelude of the Sydney Swans Academy) until U16 level. Bart has existing relationships with senior coach Alan Ezard and reserve coach Cameron Black and is keen to assist his U19s to play the best football that they are capable of at La Trobe.

Whilst at LTUFC, Bart has grown to become a fantastic clubman and the committee are looking forward to assisting Bart in creating an enjoyable experience for the U19s playing group.

Congratulations, Bart Thompson!
